वक्त मुश्किल है ज़रूर
पर गुज़र ही जाएगा
मचा है ग़दर हर ओर
पर ये भी थम ही जाएगा
ऊँची लहरें, दूर है किनारा
पर है अगर हौसला और हिम्मत तो
ये दरिया भी पार हो ही जाएगा
आज अस्त होता दिख रहा जो सूरज
कल फिर 'उदय' हो ही जाएगा
वक्त का क्या है दोस्तों
ये तो अच्छा बुरा चलता ही रहता है
पर बुरे वक्त से
कुछ अच्छा सीख पाए जो
वही सच्चा इंसान कहलाएगा

A Heartfelt Thanks...

Dear Friends,

I hope all of you and your families are home, safe and healthy, during this lockdown.

We have had a brilliant and memorable year, all because of your love and support.

To make any programme or year successful, one should have a dedicated team. I was blessed and very lucky to have experienced and stalwart members in this year's BOD, to make the year 2019-2020 successful. Along with their better halves, they stood behind us and left no stone unturned to make celebrations happen round the year.

I feel that it is the respect for the club and the members, which makes us work hard and deliver up to the mark. I appreciate each and everyone of you for responding well in time and attending the programmes in large numbers.

Thank you all from the bottom of my heart.

Finally, I hand over the reigns of this vibrant club to the dynamic Rupesh Gupta and Rajita, and their young team.

Heartiest congratulations, and all the best!

Keep celebrating!

Rupesh Gupta President

A Warm Welcome...

Dear Friends,

With the blessings of God & Parents, and the trust entrusted on me by all our club members, I humbly accept the post of President of Agarwal Club for the Year 2020~21. I thank all founders and predecessors of our Club, who, with their efforts and contribution, have given it the prestigious status it commands today.

The Board for this year is a young and energetic team. It includes members who joined last year and a majority of them are first timers to the board. Surely, there is a perfect balance of experienced and new members in the board this year, and this will add more vibrancy, new thoughts and greater energy to the club activities.

We will start our meetings when it will be conducive to have a gathering. Until then, we will be having a few online meetings by eminent speakers and games sessions to engage us all and enable us to take advantage of this period.

I am very positive of getting the support of all the members. Together, we will strive to bring a difference in everyone's life, and to the society at large.
